

August 19, 2022

Dear Madison Parents/Students,

We are excited to announce that the Madison Bulldog Branch of Western Nebraska Bank is opening this fall! The first day of business is October 27, 2022 from 740-815am. The bank will be open weekly there after.

What does this mean to you and your child? Your student will be able to open a savings account with your permission. Please fill out this form and return to your teacher. Since this is a unique situation, all money deposited will be under one umbrella Madison Bulldog Branch account. However, information about each child's deposits will be maintained separately and kept confidential. **(Note: if your child started a savings account in the past, they are already enrolled in this program. You do not need to submit this form.)**

The Madison Bulldog account is only active at the Madison Bulldog Branch. Withdrawals will only be allowed when the student leaves or graduates from Madison Middle School. At that time, a check will be issued for the balance in their account or they may come in to a Western Nebraska Bank location and open a savings account or stockpiled CD with their guardian. Each student will have their own ledger where student tellers will record their deposits. These will be maintained and kept at the bank. In lieu of interest, children receive incentives provided by Western Nebraska Bank when they make deposits into their savings accounts – based on consistent savings and amount of savings.

The Madison Bulldog Branch was created to provide our students the opportunities to not only learn about savings and how banks operate, but teach them how to become savers themselves. Having this opportunity in your school helps students learn to save early and how to plan for their financial future.

If you have any questions, please don't hesitate to contact Mrs. Vahle at Madison or myself.

Sincerely,

Marcy Hunter
Market President, Western Nebraska Bank
